CLOSER SEASON

21 DAYS OF PRAYER

DAILY ADVENTURE JOURNAL

Introductions/Welcome

21 days during Closer Season - The Secret Place with God

This 21 Days of Adventure Journal is a tool that will help you learn more about spending time with God by adventuring with Him daily in many different ways. God wants to join us in this regular time of “hanging out” because He loves all of us so much. We hope during this time your friendship with God deepens as you spend quality time with Him in conversations everyday.

Once you’ve completed this Journal we encourage you to carry on your daily journey with God through His Word. We hope you’ll be able to use the skills and tools you’ve learnt over these 21 days to continue on many adventures with God as you spend time with Him in the Secret Place.

How to use this Journal

1. **Choose** to spend some time with God each day.
2. Find a place around your home where you can write or draw in your journal.
3. Have a pen, pencil(s), crayon(s) with you as you get ready to journal.
4. Turn to today’s page in your journal and use your Bible to read the Daily Bible Verse. Take some time to think about the scripture (Bible verse/passage) you read and ask God to help you understand it.
5. Write or draw anything that comes into your mind when thinking about God and the scripture you read using the blank spaces provided for the day. You could also do the S.O.A.P way of journaling found on the next page.
6. Remember to read and do the **Daily Adventure** to learn new ways to spend time with God.
