

Blinky's Family Challenge

Nothing is too hard for God ... *and His big, strong power!*

Little Things

When you see a problem, pray. Ask God what you can give, and do your very best. God can use His big, strong power to take care of the rest!

You'll Need

- Paper
- Something to write with
- Stickers (optional)

Directions

1. As a family, think of a problem you can do something about. *Examples: Feed hungry people, be a friend to a lonely person, help a friend who's sad, etc.*
2. Write the problem on a piece of paper, and draw a chart that shows the days of the week.
3. Each day, pray together about the problem, and write something you can do to help on the chart.
4. Do the thing you wrote on the chart for the day, then draw a happy face in the box or put a sticker in it.
